KJ-125™ KJ-125™CUSTOM-VIEW™

With an addition of only two inches in height to the KJ-100™ the KJ-125™ has nine inches of added page capacity to total thirty-five inches.

KJ-150™ KJ-150™SUPER-VIEW™

Built strong and tall, the KJ-150™ Super-View has a page capacity of forty-one inches (the largest of any K-Jack single unit). This is the rack that will handle the high-volume location.

Your paper is kept at maximum visibility headline height by an elevator shelf that is standard on these vending machines. Lexan™ plastic all around, provides for high visibility of your publication, both for sales and recovery. This combination is a proven sales plus.

All K-Jack newsracks are designed to operate with a standard K-Jack mechanical snap-out™ mechanism or our Electronic Comp-U-Mech™ mechanism.
